

REMARKS

In the Final Office Action mailed on July 19, 2006, the Examiner rejected claims 1-2, 4-6, 8-9, 11-13 and 21 under 35 U.S.C. 102(b) as being anticipated by U.S. Patent No. 5,870,474 to Wasilewski et al. ('474); rejected claims 7, 10, 14-15 and 19 under 35 U.S.C. 103(a) as being unpatentable over Wasilewski et al. ('474) in view of U.S. Patent No. 5,247,364 to Banker et al.; rejected claims 16 and 17 as being unpatentable over Wasilewski et al. ('474) and Banker in view of U.S. Patent 6,157,721 to Shear et al.; rejected claim 18 under 35 U.S.C. 103(a) as being unpatentable over Wasilewski et al. ('474) and Banker in view of U.S. Patent No. 5,420,866 to Wasilewski ('866) and rejected claims 22 and 23 under 35 U.S.C. 103(a) as being unpatentable over Wasilewski et al. ('474) in view of Shear et al.

Applicant has amended independent claims 1, 8 and 14 to include an object identifier in both the first and second information. This feature is not shown in Wasilewski et al. ('474). Instead, Wasilewski et al. describe their control words as being "random number generated keys" used in encryption. See column 8, lines 1-3. Wasilewski et al. Wasilewski et al.'s MSK is also an encryption key that is used to encrypt the control words. *Id.* Nowhere do Wasilewski et al. describe any portion of the control word being the same as a portion of the MSK. Therefore, independent claims 1, 8 and 14 are allowable over Wasilewski et al.

Dependent claims 2, 4-7, 9-13, 15-19 and 21-23 are allowable due to their dependency on an allowable base claim.

CONCLUSION

No fees are due for this amendment. However, the Office is authorized to charge any additional fees or underpayments of fees (including fees for petitions for extensions of time) under 37 C.F.R. 1.16 and 1.17 to account number 502117. Any overpayments should be credited to the same account.

Applicant respectfully requests reconsideration of the present application, withdrawal of the rejections made in the last Office Action and the issuance of a Notice of Allowance. The Applicant's representative can be reached at the below telephone number if the Examiner has any questions.

Respectfully submitted,

Robert S. Eisenbart et al.
